# Alana, the girl from tomorrow and Alana, the mermaid

## Summary

Since one-sentence fanfics are things that exist, here's another one from me.

Alana discovers that mermaids exist.

- A translation of [Alana, la fille du futur et Alana, la sirène](#) by [MiaQc](#)

Alana, from the year 3000, is shocked to discover that not only do mermaids exist despite the Great Disaster, but the first one she meets is also named Alana.
